

BEACHES EMERGENCY ASSISTANCE MINISTRY, INC.  
2010 ANNUAL REPORT

# OUR MISSION

---

BEAM'S MISSION IS TO  
KEEP FAMILIES IN THEIR  
HOMES AND HELP THEM  
BECOME SELF-SUFFICIENT.

# A MESSAGE FROM THE EXECUTIVE DIRECTOR

## DEAR BEAM FRIENDS,

Thank you for supporting BEAM this year as we work tirelessly to help Beaches families keep food on their tables, their lights on, and their rent current.

We've never seen a year like 2010. We distributed 437,600 pounds, or \$652,024 worth of food to Beaches families—the equivalent of 336,615 meals. This is more than double our food distribution of 2009. With your generous gifts, we've helped 13,834 adults and children with food, rent/utility assistance, food stamp applications, and much more.

Our team of volunteer tax preparers, in partnership with RealSense Prosperity Campaign, a United Way initiative, filed over a half a million dollars in tax returns and saved families over \$75,000 in tax preparation fees. These are dollars that go right back into the local economy.

While we all hope that economic news will be good and that jobs will eventually return to North Florida, we at BEAM have not seen any real evidence of a turnaround. Businesses are still closing at the Beaches, and our clients continue to struggle to find jobs.

We are working especially hard to help our most vulnerable neighbors—children and elderly folks. This year's Back to School with BEAM helped 1,100 children go back to school with new backpacks, new school supplies, new socks/underwear, gently used clothing, books and desperately needed dental care. We are reaching out to our neighbors at Pablo Hamlet, Pablo Towers, Bennie Furlong and Neptune Beach Senior Centers with distribution of fresh produce, and have started distributing USDA food to residents of Pablo Hamlet.

BEAM's team of 100+ weekly volunteers and hundreds of additional volunteers for Back to School with BEAM make our mission a reality. These dedicated folks work with our staff of four (effective January 2011) to help families stay in their homes.

Your gifts to BEAM have an immediate and direct impact on the lives of mothers, fathers, grandparents, and children. Thank you for opening your hearts and your wallets to Beaches families in need.

Warmest regards,

**Paul Lambert** & **Vivian Southwell**

## VOLUNTEERS

BEAM's hardworking volunteers donated 14,637 hours of time in 2010 to the Beaches community, helping unload, load, sort, shelve and bag food, greet clients, answer the phones, schedule food appointments, schedule income tax preparation appointments, interview clients for financial assistance with rent and utilities, interview clients to apply for SNAP (Supplemental Nutrition Assistance Program or "food stamps")

and Medicaid, and much more. These 14,637 hours have a value (according to Hands on Jacksonville and the Bureau of Labor statistics) of \$305,181.45.

BEAM volunteers serve thousands of clients every month with dignity and respect. BEAM truly could not serve the Beaches without the work of BEAM's dedicated volunteers.

# PARTNERS

## Northeast Florida Community Action Agency (NFCAA)

The NFCAA partners with BEAM to provide assistance with utility bills through LIHEAP (Low Income Housing Energy Assistance Program).

## Second Harvest North Florida

BEAM's number one food source provides monthly deliveries of USDA (United States Department of Agriculture) food items, and serves as a critical source of fresh produce and basic food products at very low costs.

## Beaches Energy Service: City of Jacksonville Beach

Beaches Energy Service: City of Jacksonville Beach awarded BEAM the contract to administer the CARE/CDBG utility assistance program.

## RealSense Prosperity Campaign — A United Way Initiative

A United Way Initiative, BEAM's IRS-certified volunteers offer free income tax preparation services to families during income tax season. As a VITA (Volunteer Income Tax Assistance) site, BEAM's program completed 375 tax returns, filing for \$500,000 in refunds, saving \$75,000 in tax preparation fees.

## Three Rivers Legal Services, Inc.

BEAM partners with Three Rivers Legal Services to bring free legal assistance to Beaches residents once a month.

## United Way

BEAM participates in the United Way's 2-1-1 information program and uses the United Way's Northeast Florida Information Network (NEFIN) data bank for client information management.

## Department of Children and Families

This department partners with BEAM so that trained BEAM volunteers can help Beaches residents apply for SNAP (Supplemental Income Assistance Program or "food stamps") and Medicaid applications online.

## Medicaid Choice Counseling

The State of Florida provides a counselor at the BEAM office one day per week to assist clients in choosing the Medicaid plan that is best for them.

# OUR PRAYER

Our Father in the heavens, We are grateful to You for allowing us to be one of Your instruments to meet the needs of those whom You love. As those in need of food and emergency financial support come to our door, thanks to You the resources are available.

We are also grateful to You for those in our community who respond to Your leadership in making resources available at the point of need. We ask Your continued blessings on us as a ministry of Your love and on those around us who care for our community members in need. Bless their gifts and lead us in distributing those gifts according to Your will. We thank You with grateful hearts.
