

Dear BEAM Supporter:

Thank you for considering a sponsorship of "BEAM's Beach Ball". As our neighbors continue to face record-setting need, we rely even more on the support of companies and organizations such as yours. Without you, the work of BEAM in assisting and sustaining families faced with long and short-term financial hardships would not be possible.

BEAM's mission is to keep families in their homes and to help them become self-sufficient. Among other things, BEAM helped 13,834 individuals and gave away 437,600 pounds of food in 2010 to your neighbors in need. Additionally, BEAM provided \$528,848 in rent and utility assistance and helped over 1,100 children get ready to go "Back to School with BEAM"! All of this is accomplished with four paid staff and countless volunteers and supporters.

For more information about BEAM, please visit www.jaxbeam.org. Better yet, stop by our office to see first-hand the amazing work of this organization right in your community.

Thank you for your support and we hope to see you at the event!
